

Patients, Public Welcome at Grand Opening of Latest Knox Medical Cannabis Dispensary in Clearwater

February 11, 2019

Current and future patients invited to tour the dispensary, meet with Customer Experience Specialists and local physicians to learn more about Knox Medical products and the process of becoming a patient

Dispensaries already open in Gainesville, Orlando, Tallahassee, Jacksonville, Lake Worth, St. Petersburg, Fort Walton Beach, and North Miami Beach; several more to open around the state in 2019

Grand Opening and Press Preview to be held on Wednesday at 11am. RSVP required for accredited journalists. Please email: press@knoxmedical.com

Miami, Florida – Knox Medical will welcome patients, the public, and the press to its latest location in Clearwater on Wednesday, February 13th. Several current patients and providers will be present to share their experiences using and recommending modern medical cannabis to treat their qualifying medical conditions.

A media preview of the facility will take place on the morning of Wednesday, February 13th at 11:00 A.M. at the Knox Medical dispensary located at 921 S. Missouri Avenue in Clearwater.

"Knox Medical is working with Florida's top architects and designers to create a cohesive dispensary experience that puts the needs and interests of our patients first. At every stage in this process, from cultivation, to processing, and now to dispensing superior quality medicines at these state-of-the-art facilities, our objective at Knox Medical is to redefine excellence in the medicinal cannabis field at every level. We are privileged to serve our fellow Floridians in most need who will receive compassionate medical care at Knox Medical's dispensaries," said [José J. Hidalgo](#), **Founder and CEO of Knox Medical**.

At the open house, Knox Customer Experience Specialists will also be available to walk patients through the company's wide range of products, including new THC concentrate formulations and the company's latest proprietary CBD product line, Perla. Members of the public who are not currently registered with the Department of Health Office of Medical Marijuana Use are also welcome to find out more about the process and will have the chance to speak with local physicians and care providers.

The new dispensary becomes the 11th facility in the company's national network of dispensaries. Since being one of the first companies to operate in Florida in 2016, Knox Medical has grown to serve tens of thousands of patients across Florida, Texas, Pennsylvania, and Puerto Rico.

Knox Medical is a national leader in cultivating, processing, and dispensing the highest quality medical cannabis products. Patients from around the country and beyond have come to associate Knox with an unrivaled experience that puts the needs and interests of our patients first. The company is one of Florida's first Medical Marijuana Treatment Centers (MMTCs) to be granted a license by the Department of Health after receiving the highest score of all applicants in 2015.
