October 13, 2020

MIAMI, Oct. 13, 2020 /PRNewswire/ - Cansortium Inc. ("Cansortium" or the "Company") (CSE: TIUM.U), (OTCQB: CNTMF), a vertically-integrated provider of premium-quality medical Cannabis operating under the Fluent™ brand, today announced that it has received approval from the Florida Department of Health and will commence sales of edibles today in each of its Fluent dispensaries in the state. The Company was well-positioned to react to the emergency rules issued by DOH at the end of August and quickly move through the regulatory approval process. Edibles represents a route of delivery eagerly anticipated by medical marijuana patients in Florida.

Fluent's first edibles product line, Fluent Gels, are bite-sized pieces that are initially available in three flavors: Watermelon, Green Apple and Blue Raspberry. They are sold in packages of 10 pieces, each pre-dosed with 10mg of THC. Fluent Gels have been handcrafted in partnership with [Smokiez](#), known nationwide for their edible products, and are vegan, gluten-free, non-dairy and contain no high fructose corn syrup. The Company expects to continue to expand its edibles offerings to meet patient demand.

Cansortium Chief Executive Officer, Robert Beasley, commented, "I'm pleased to have our first batches of Fluent Gels rolling into the Florida market. It's an exciting time for the industry. Our partnership helped us tremendously in getting everything prepped and assuring our success in creating the best edible products, Fluent Gels."
