MOODS Black: New York

Featuring high-potency cannabis oil infused with cannabis-derived terpenes, MOODS Black delivers an authentic and rich true-to-flower flavor profile that sets it apart from other vapes on the market. Available in three distinct strains exclusively at Etain dispensary locations, the new line offers New Yorkers a tailored experience for every moment:

- **Bruce Banner:** Bruce Banner, often just called "Banner" or "OG Banner," is a powerful sativa-leaning hybrid strain named after the legendary alter-ego of the Hulk. With a cross of OG Kush and Strawberry Diesel, it has dense, vibrant buds that deliver a diesel aroma touched with sweet, fruity undertones. Known for its fast-acting, energizing effects, Bruce Banner brings a rush of euphoria and creativity, eventually tapering into a calm, body-relaxing high perfect for daytime enjoyment.
- **Egyptian Gold:** A premium hybrid strain, Egyptian Gold boasts a bright citrus-gas aroma and a deliciously peachy taste. Its euphoric and balanced high is perfect for easing stress, stimulating appetite, and uplifting both the mind and body.
- **Cream Cheese Zushi:** Combining relaxation with calm focus, this unique hybrid strain delivers a funky cheese and diesel aroma with a bold and satisfying "funky gas" flavor. Known for its intriguing bud structure, Cream Cheese Zushi is the perfect choice for those seeking a balanced yet powerful strain to unwind and stay centered.

MOODS Black will also be available in a variety of formats to suit individual preferences:

- **MOODS Mini All-in-One (\$65):** This sleek and compact device, tailored specifically for MOODS distillate blends, packs a full gram of cannabis oil into its ultra-portable design. The MOODS Mini is USB-C rechargeable and utilizes advanced technology to ensure rich, lasting flavors and a smooth vaping experience.
- **Dash All-in-One (\$40):** Offering convenience and efficiency, the MOODS Dash is the perfect grab-n-go device that boasts a rechargeable design and an enhanced heating system for consistently smooth and satisfying hits. Its dual airflow technology ensures excellent cloud production and rich flavor with every inhale.
- **510 Cartridge (\$60):** Experience the classic vaping experience with a modern twist. MOODS cartridges feature an innovative vortex mouthpiece that enhances vapor flow for a smoother draw and richer flavor. With a 1G capacity, these cartridges are compatible with most 510-thread batteries.

As an added bonus, FLUENT is offering a free gift with qualifying MOODS Black product purchases at all Etain Health dispensaries for a limited time and while supplies last.

MOODS Winter: Florida
